CUP
2016

WELCOME

Welcome to the 2016 Xtreme Cup, benefiting The Goodtimes Project! Games begin the morning of Friday, August 19th, and will be played at Starfire Sports & Valley Ridge Park (VR). This packet contains all you need to know to make the most of your tournament weekend, including information about how you can help support our incredible partner organization.

The Goodtimes Project is an organization that provides cost-free summer camps for Western Washington and Alaska families affected by **childhood cancer**. Your choice to participate in this event has already made a major impact for these families thanks to **Starfire's $50 donation**, but we encourage your team to take it a step further and compete for more than just a trophy during your tournament weekend. **Start your own fundraising campaign**, and you can show your players social responsiblity while building **team unity** and vying for exciting prizes (complete prize list available on the Xtreme Cup tournament page).

On behalf of Starfire Sports, I would like to wish all teams the best of luck and we hope you have a fantastic weekend of soccer!

Sincerely,

Micah Pigott
Tournament Director

THINGS TO KNOW

~ PARKING ~

- Parking is $5 per day or $10 for the weekend at Starfire Sports
- To avoid the daily or weekend fee, pick up a Starfire Membership, which includes an annual parking pass
- Carpooling is highly encouraged as the main parking lot is expected to be full throughout the weekend
- Any parking pass (daily, weekend, or annual) will get you a spot in either our main lot or our neighboring corporate lots. Due to capacity limitations, parking may only be available in Starfire's neighboring corporate lots for a significant portion of the weekend.
- No recreational vehicles are allowed inside the park
- Parking is not charged at Valley Ridge Park

~ CHECK IN ~

- A team representative must check in at least **an hour before your first match**
- A **signed club roster** with jersey numbers & birth dates must be turned in at time of check-in
- If you are a team **traveling from outside of Washington**, travel papers, signed concussion consent form & player identification cards must be submitted along with your official roster
- **Guest players** must present identification (player card), or be added by the club registrar to the team roster under the guest player section
- **Check-in** will be available on Friday at Starfire Sports in the **Starfire Pavilion** under the white tent near concessions beginning at 7:30am and at **Valley Ridge beginning** at 10:00am. Check-in will then re-open at 6:30 AM on Saturday morning at Starfire only.

~ GENERAL INFORMATION ~

- Teams should be at the appropriate field at least 30 minutes prior to the scheduled match kickoff
- Coaches & parents are responsible for ensuring sidelines are clean after each game
- Fields 1-4 & 9-11 are turf, 5-8 are grass; Valley Ridge fields are field turf
- Starfire provides canopies at all fields at Starfire & Valley Ridge. Benches are also available on Starfire fields 1-4 & 9-11. Unfortunately, there are no benches on fields 5-8 or at Valley Ridge. Team benches are encouraged for these fields.
- No pets are allowed on the premises
- Food & beverages are available in the tournament village at our full service concessions, satellite concessions in the North campus, or from on-site restaurants in the Athletic Center–Cafe Sienna & Zaw Pizza.

For schedules & results, visit our Schedules & Results page | For all other information, visit the Xtreme Cup page

2016 OUTDOOR TOURNAMENT RULES

1. Matches shall be played in conformity with the rules of WYS, USYSA, US Club and FIFA, unless otherwise stated herein. The Tournament Committee shall be the final authority in all tournament matters. The Tournament Committee shall consist of at least three members of tournament management and referee coordinators.

2. All teams should have the official tournament roster forms (including player names, birthdates and jersey number) signed and approved by their association or league registrar. All non-Washington state teams must have official player identification passes issued by their state, provincial or national association. All non-Oregon, Idaho, and Montana teams must also provide proper permission to travel papers from their state, provincial or national authorities.

3. All teams must provide their travel papers, player identification cards and official team rosters prior to their first game. This may be done at the pre-tournament check-in or at the tournament headquarters no less than **ONE HOUR** prior to their first match. If a team fails to check in prior to their first game and plays, they will forfeit that game. If a team fails to check in prior to its second game and plays, they will forfeit the remaining tournament games.

4. State select, provincial select or development teams may only take part at the discretion of the Tournament Committee in the age division assigned by the Tournament Committee. Such teams will always play in a division at least one year older than they normally would.

5. Maximum roster sizes for each team are as follows:

   U-9 & U-10 (7v7) - 12
   U-11 & U-12 (9v9) - 14
   U-13 & U-14 (11v11) - 18
   U-15 and older - 22 (18 active players per game)

   This is the maximum number of players allowable on a team's roster. Teams must have a minimum of the number of players on the field for that age group (ex: minimum of 11 players for an 11v11 team).

6. Teams may have guest players with proper identification. Any teams with players exceeding age group restrictions will forfeit each game that player participates in. No player may participate on more than one team playing in the tournament. The maximum number of guest players is five per team.

7. All teams will play a minimum of three matches.

8. For all matches, the home team will get the kickoff, the away team will get to choose the side.

9. When possible, divisions shall be separated into equally-sized groups with teams playing matches against every other team in their group. Groups shall be seeded and, when possible, drawn to avoid placement of teams from the same area in the same group.

10. All forfeits are recorded as 3 - 0, with maximum points being awarded to the team receiving the forfeit victory.

11. A point system shall be employed to determine the order of finish in group play, as follows.

    Six points for a win.
    One point per goal up to three goals
    One point for a shutout
    Three points for a draw
    The team with the most points in group play will be the winner of the group; the rest of the teams shall finish in the order of most points

    *If there are an uneven number of teams in one bracket and a team must play four games, their score will be divided by .75

    If teams are equal in points, then tie-breakers, in order of importance, shall be:

    Head-to-head
    Goals against
    Fewest losses
    Most shutouts
    Goals for (maximum of 3 a game)
    Coin Toss or Penalty Kicks

12. U-9 games will be in a Jamboree format. No scores or standings will be kept and the above point system does not apply for U-9 games.

13. The duration of matches shall be as follows: Group play, consolation and semi-final matches:

U-9,10	50 minutes	two 25 minute halves
U-11,12,13,14,15,16,17,19	60 minutes	two 30 minute halves
Championship matches:		
U-9,10	50 minutes	two 25 minute halves
U-11,12,13,14,15,16,17,19	60 minutes	two 30 minute halves

If the two teams come out of the same bracket of group play the Tournament Committee can switch the team to be able to play another team in the semi-finals.

13. In group play and consolation matches, a draw shall stand as played. In the semi-finals and finals, matches that end in a draw shall be decided by penalty kicks. **No Overtimes.**

14. Every team must have two sets of uniforms: dark and light jerseys. When the color of the team shirts conflict, the team listed as "Home" must change to an alternate color.

15. Substitutions are unlimited and are allowed during any dead ball at the referee's discretion.

16. If a player receives a red card that player and his or her coach have **30 minutes to report to the Tournament Judicial Committee** after the final whistle. If the offense is of a serious nature, the Judicial Committee reserves the right to impose a suspension. If a player is sent off a second time, the Judicial Committee has the right to suspend the player for the remainder of the tournament. If any player receives three yellow cards during the tournament, he or she will sit out a minimum one game suspension. Following the match, that player and his or her coach must report to the Judicial Committee within 30 minutes to receive possible further punishment. All cards will be reported to Washington Youth Soccer for possible further adjudication.

17. **All games are FINAL**. No protests are accepted and the decision on the field is final.

18. Coaches are held strictly accountable for the conduct of their teams, parents and supporters. Abusive behavior toward the referee, opponents or tournament staff will not be tolerated. Such misconduct and breaches of sportsmanship shall be turned over to the Tournament Judicial Committee for possible suspension.

19. Neither the Tournament Committee, nor Starfire Sports are responsible for games cancelled because of unplayable fields. Such cancellations are for the safety of the players and referees and no liability will be assumed.

20. **Beginning in summer 2016, all teams must register based on birth year. Players for each age group must be born in the year below (or after, if playing up).**

U- 9	**2008**
U-10	**2007**
U-11	**2006**

Welcome to the 2016 Xtreme Cup, benefitting The Goodtimes Project!

At Starfire Sports, we believe participation in soccer can shape the lives of those who play. This year's Xtreme Cup looks to show youth players how they can make a difference through soccer both on and off the field.

For every team that registers for the Xtreme Cup, Starfire will donate $50* to The Goodtimes Project. You can also get your team directly involved by **fundraising for The Goodtimes Project**. In turn, building team unity among players while supporting a great cause and competing for exciting prizes.

*Excludes teams that are financially assisted by Starfire

What is The Goodtimes Project?

The Goodtimes Project is a non-profit organization that serves children battling cancer, survivors, and their siblings from Washington and Alaska by providing programs such as Camp Goodtimes, a cost-free summer camp serving up to 200 children each year.

Free Camp Programs: The Goodtimes Project is committed to keeping camp free of charge. It costs approximately $1,700 per child, or $17,000 per cabin, to send children to camp.

Geographic Diversity: Camp Goodtimes welcomes campers from Washington and Alaska for two separate weeks on Vashon Island. This program is the only one of its kind available to campers from Alaska, many of whom are treated at Seattle Children's Hospital.

A Place Where Campers are No Longer Defined by their Illness: at Camp Goodtimes, children are campers first and patients second.

A Safe Haven: Despite huge strides made in treating childhood cancer, the psychological consequences are often a secondary concern. Evidence shows that grief at receiving the news of this life-threatening illness is experienced by all family members. Camp Goodtimes is a place for children to rediscover their childhood and a respite for parents to relax and rejuvenate, knowing their children are in good hands.

Collecting & Submitting Donations

Credit Card Donations

- Credit card donations can be made at www.starfiresports.com/**goodtimes**/
- To ensure that donations are properly attributed to your team fundraiser, use the exact team name used to register for the Xtreme Cup
- To keep track of the online donations made toward your team, you can use our donation tracking sheet; you may also email social@starfiresports.com to get an updated figure as we approach the event

Cash & Check Donations

- Our donation tracking sheet can be used to track your progress and take note of individual donors and amounts
- Once all donations are collected, you can either make a lump sum online donation on behalf of the team using a credit card **-OR-** submit the cash and checks at Tournament Headquarters on Saturday, August 20th between 10am and 2pm
- Checks submitted during the tournament should be made out to The Goodtimes Project with 2016 Xtreme Cup in the notes.

Team Fundraising Ideas

Starfire Sports and The Goodtimes Project have created this list ideas for you to use in your fundraising efforts! Here are some ideas we like:

- **Team Car Wash**
  Work with a local gas station and host a car wash to raise funds for The Goodtimes Project.
- **Coin Drive**
  Ask friends, family, local businesses etc. to collect their spare change for a certain period of time, say two weeks. Collect all the coins and donate the funds to The Goodtimes Project.
- **Restaurant Take Over**
  Join with a neighborhood restaurant or local store to take over the establishment for a night. You guarantee a guest count by pre-selling tickets or reservations, and a portion of the proceeds or gratuities are donated to The Goodtimes Project.
- **Why Dine-out When You Can Dine-in Party**
  Host a dinner part for friends and ask each couple to write a check to The Goodtimes Project for the amount it would have cost them to go out to dinner.
- **Parents Night**
  Find a family to host a movie and pizza night for the kids, at least 3 hours. The parents pay $15 (or more) per kid to attend. The kids have a fun evening and the parents get a few hours to themselves.
- **Consignment Night**
  One person's thrift is another person's treasure! Invite friends, family, team families, etc. to a spring cleaning event. Participants go through their closets and get rid of clothes, household items, toys and jewelry that they aren't wearing or using. Each participant brings items with price tags to the event. Proceeds benefit The Goodtimes Project.
- **Christmas Yard Sale in July**
  A great time to sell holiday items you (and your team) have collected before the holidays begin.
- **Fun with Kids**
  Encourage the kids to do yard work, walk pets or manage a lemonade stand to raise funds for The Goodtimes Project.
- **Kick-A-Thon**
  Works similar to a walk-a-thon. The team goes out and collects pledges for how many goals they can make. Set aside a time during one of the team practices to host the event and kick away!
- **Team Garage Sale**
  Collect items from Team Families and host a Team Garage Sale, proceeds would be donated to The Goodtimes Project.
- **Facebook Event**
  Create a Facebook event page and invite all your friends to donate!
- **More ideas can be found at www.fundraising-ideas.org/DIY/****
  **This is a 3rd Party site. Neither The Goodtimes Project nor Starfire Sports have any affiliation with this site or its contents.
