

# SOCCER GOLF CHALLENGE

-----

## CLOSEST TO THE PIN

You get one shot to get as close as you can to the "pin." The individual from each division who gets closest will receive the maximum 100 points. For each inch away from the closest shot, the competitor's score will drop by 1 point.

### Example:

Closest distance: 3 inches from pin

Sample competitor's distance: 15 inches from pin

Sample competitor's point total: 88 points [  $15-3=12$ ,  $100-12=88$  ]

## PUTTING

Settle the ball on the grate to "sink" your put. A hole-in-one gets you 100 points. For each additional stroke, your score will drop by 6 points. Max allowable strokes is 8, if you fail to settle the ball within 8 strokes you will be awarded 40 points.

### Example:

4 "strokes" to settle the ball:  $100 - (3 \times 6) = 82$  points

## LONGEST DRIVE

You get one shot to drive the ball as far as you can. The individual from each division who gets the furthest receive the maximum 100 points. For every 2 feet away from the longest drive, the competitor's score will drop by 5 points.

### Example:

Longest Drive: 75 feet

Sample competitor's distance: 60 feet

Sample competitor's point total: 62.5 points ( $75 - 60 = 15$ ), ( $15 / 2 = 7.5$ ), ( $7.5 \times 5 = 37.5$ ), ( $100 - 37.5 = 62.5$ )

## SKILL SHOT

You get three tries to take your shot from the spot and land it inside the two-foot circle. Each try must be taken from the spot. Land your shot on the following attempts for a score:

1<sup>st</sup> attempt: 125 points

2<sup>nd</sup> attempt: 100 points

3<sup>rd</sup> attempt: 75 points

No success: 25 points
