

How do I create our Team fundraising page to support The Goodtimes Project?

1. BECOME A FUNDRAISER

Locate the Become a Fundraiser button on the campaign landing page for the organization you are supporting.

The screenshot shows the top navigation bar of the Generosity.org website. On the left is the logo 'generosity.ORG' with a blue water drop icon. To the right are social media links for Twitter and Facebook, a search bar, and a profile picture. Below the navigation is a large banner image of children in orange shirts drinking water. Underneath the banner is a 'Legacy Campaign' section with the following details:

- Legacy Campaign**
- Benefiting: [Generosity.org](#)
- Hosted by: [Generosity.org](#)
- Contact: info@generosity.org

To the right of the campaign details is a 'Start Fundraising' section with a blue button that says 'BECOME A FUNDRAISER'. A red arrow points from the text 'Locate the Become a Fundraiser button' to this button. A circular icon with a blue water drop is also visible between the campaign details and the fundraising section.

2.CREATE A LOGIN

You'll need to create a Classy member profile so you can access and manage your fundraising page. You will need to provide your name, email address, create a password, and enter your birthdate. (note: you must be over 13 years of age to have a fundraising page on Classy)

For a person the opportunity to live a healthy life, the time spent in hospital beds can now be spent with their family. We can bring change to their community. The water can now be spent earning a living. Together, you and I can bring that change to the world. It's a movement to provide clean water to everyone. Now I'm joining in to do my part to ensure that everyone together and change 500 lives! I'm leaving my legacy. Will you join me?"

On the right side of the page, there is a progress summary:

- MY GOAL:** \$5,000

Below this summary are social sharing buttons for "Share", "Tweet", and "Email".
